

In this connection it is submitted that the category of the Junior Analysts posts are existing in various teaching hospitals / hospitals / Medical Colleges / District hospitals in Zone VI. As seen from the A.P. Medical Subordinate Rules Branch -III issued in G.O.Ms.No.565 M&H dated 27.8.79 the category of Junior Analysts are not included in the said rules. The Tribunal in its judgment with the V.M.A.608 of 2003 dated 12.3.2003 directed the Department to make suitable amendment to G.O.Ms.No.459 M&H dated 8.9.94 providing for the post of Lab Attendant as a feeder category to the post of Junior Analysts calling under category - I class of A and to consider the cases of the applicants as per the eligibility.

In this connection it is submitted that the rules issued in G.O.Ms.No.459 dated 8.9.94 are pertaining to governs the categories of posts under the control of Director of IMP and they are not applicable to the categories working under the control of DME. As such the DME has submitted the proposals for incorporating the category of Junior Analysts in the A.P. Medical Subordinate Services Branch - III and suggested the method of recruitment etc., and to included the Lab Asst., category Lab Tech., Gr.I.

With regard to the inclusion of Lab Asst., category into Lab Tech., Gr.I, it is submitted that in G.O.Ms.No.243 HM&FW Dept., dated 11.4.90 the category of Lab Asst., have been merged with the category Lab Tech., Gr.I, and there is no category of Lab Asst., is existing at present.

The DME in his draft proposals at page 7-9 c.f. has proposed the method of recruitment for the posts Junior Analysts by promotion from the category Lab Tech., Gr.I / Lab Assts., or from Lab Tech., Gr.II in case more eligible are available in the category of Lab Tech., Gr.I / Lab Assts. As mentioned supra the category of Lab Assts., is not existing as per G.O.Ms.No.243 dated 11.4.1990. Further as may be seen from G.O.Ms.No.459 dated 8.9.94 pertaining to IMP Rules the method of recruitment for Junior Analysts is by promotion from Lab Tech., Gr.I etc.

In the circumstance it is desirable to include the category of Junior Analysts in the A.P. Medical Subordinate Service Rules Branch - III as category - I under class - XI. Since the issue of amendments to the rules issued in the G.O.Ms.No.565 M&H Dept., dated 27.8.1979 it may perhaps be desirable to issue separate head of rules for the category Junior Analysts as a distinct category in the A.P. Medical Subordinate Services.

It is therefore for orders whether adhoc rules may issue for the category of Junior Analysts as distinct category in A.P. Medical Subordinate Services and that the feeder category for the same may be by promotion from Lab Tech., Gr.I.

After orders are passed the file may be circulated to M (ME&HI) for approval.
